

Growers Supply Co. Penticton Location Temporary Closure

Out of an abundance of caution, we have made the decision to temporarily close our Penticton store location until Monday May 10th due to a staff member testing positive for Covid-19.

We understand that this temporary closure will be an inconvenience to the farming community that typically visits this location but the health and safety of our staff and our community is our top priority.

The Grower Supply Co. stores in Oliver, Kelowna, Vernon and Creston will remain open to serve the community. Please be assured that Growers Supply Co. has very strict Covid-19 protocols in place to ensure the safety of our customers and our staff while you shop.

We expect the Penticton store to reopen again on Monday May 10th.

Thank you for your support and understanding during these challenging times.

Mark Welton-
Growers Supply Co. General manager
