

The Little Cherry Disease / Western X Task Force invites you to:

Tree Fruit Grower Information Meeting

Members of the Little Cherry Disease/ Western X Task Force are organizing grower information meetings to provide soft fruit growers in the Okanagan/Similkameen and Creston Valley growing areas with important information about these re-emerging issues.

We are hosting in-person meetings on the following dates:

In Person Meeting!

- Tuesday June 15th Creston @ Millenium Park 9:30am
- Wednesday June 16th Oliver @ Growers Supply 4:00pm
- Friday June 18th Penticton @ Growers Supply 1:00pm
- Tuesday June 22nd Kelowna @Coral Beach Belgo Orchard Tamaki Lane 9:30am
- Thursday June 24th Vernon @ Growers Supply 9:30 am

Space is limited to 40 grower registrations. Please sign up for the meeting at the link below:
